The Massachusetts Association of Health Boards is committed to providing leadership training, educational opportunities and technical support to local boards of health. Board of health members are the local citizens charged with setting policies and supervising professional public health staff. The challenges are enormous and growing. In recent years, we have responded to the threats of avian flu and bioterrorist threats, in addition to addressing longstanding issues such as summer camp and pool safety, lead paint and groundwater pollution prevention.

MAHB has developed many new features for providing information about local public health via the Internet. This includes a public directory of board of health members and staff. This directory is updated by our membership, and is the most comprehensive local health directory available anywhere in the nation. It is available to the public by clicking on the directory button at the MAHB homepage www.mahb.org, or going directly to this URL <http://mahb.org/profile/Directory.asp>. Other information on the site, available to other Boards of Health, includes information on budgets, staffing and spending levels for Boards of health in various towns in Massachusetts.

The MAHB directory is divided into three sections. Boards of Health, Health Districts and Corporate Sponsors. As a corporate sponsor, you will receive a dedicated page on the Directory, which can include your company logo, name, contact information, and description of the services you offer. Linking back to your own website is one of the easiest ways to increase your search engine placement. In addition to the directory listing, MAHB sponsoring membership also includes member discounts on publications and training. This public recognition of our corporate sponsors will provide us the opportunity to recognize the companies and professionals who help to support our goals, while allowing us to maintain a premium, commercial free website. I hope that you will become a sponsoring member with MAHB using the attached dues invoice, and that you will take advantage of our directory by also filling out the directory form and returning it to me via email.

Sincerely,

Marcia Benes
Executive Director, MAHB

MAHB Corporate Sponsor Directory Information

Fiscal Year _____

To be added to our web directory, please send the following information via email to benes@mahb.org.

Company Name _____

Address 1 _____

Address 2 _____
